

# Job Description

Spero Counseling Services is a private mental health practice who is committed to providing hope to families by supporting children, teens, adults, couples and families. Given the frequency with which we receive referrals, our practice is eager to hire additional counselors to accommodate these referrals.

**We currently have two openings.** These openings offer flexible schedules where you are in control of client load and time commitment. One opening will work directly with children and teens. A second opening would service teens, individuals and couples.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.

## Required Qualifications:

Education:

- Master's

License/Certification:

- mental health license (Associates welcome)

## Preferred Qualifications:

- paneled with insurance or fully licensed and ready to panel
- training in play therapy
